

03/02/2024	Hi!
04/02/2024	one where I get to meet lots of different people.
05/02/2024	Hard to keep a count. Maybe 25.
06/02/2024	I think it was Australia
07/02/2024	Not really. The interactions are usually short-lived but it's fascinating to learn where people are coming from and what matters to them
08/02/2024	what do you mean?
09/02/2024	Wow! That's interesting, borderline spooky
10/02/2024	So, do you do treasure hunting often?
11/02/2024	Hi
12/02/2024	my friends are gonna visit me this weekend. we might go hiking!
13/02/2024	Should be very sunny! you?
14/02/2024	☺ hope you get your work done very soon! a bug free weekend!
15/02/2024	I am going to Diablo!
16/02/2024	hours drive from here. still in bay area
17/02/2024	Actually no idea, but it will take the entire day for that.
18/02/2024	Hi!
19/02/2024	Nothing much, how you doin?
20/02/2024	Oh wow! Sounds like fun! When was the last time you had seen this friend?
21/02/2024	Ohh okay. I was going to say if it had been a long time maybe it'd be awkward...
22/02/2024	Oh really? Has a lot changed in your life recently?
23/02/2024	Ahhh sounds exciting indeed! My life is pretty bland. I like routine, but sometimes I wish I had more time for adventures!
24/02/2024	Hmmmm. I really want to try bull riding. Do you have any interest in that?
25/02/2024	Sure! What does your Saturday look like?
26/02/2024	Hi!
27/02/2024	is it raining pretty bad today?
28/02/2024	surprising that the rain started early this year... I don't like them too much. They make days gloomy
29/02/2024	Where I grew up, we had lots of water trouble too...
01/03/2024	Haha... I don't think I can survive in that weather ever. Just the rains at 50 degrees make me want to sit in heated rooms
02/03/2024	people say there is drought here... but we have 24 hours water supply here ... lol... never seen that in a drought ridden area
03/03/2024	hmm.... okay. Climate change talk this morning was pretty darn interesting. did you see it?
04/03/2024	they were talking about how AI is helping climate change. Nice use of upcoming tech.
05/03/2024	Hi.
06/03/2024	How are you? How is your day?
07/03/2024	I'm dressed very well today so I feel good! I've been reading a lot about the psychology of positive outlook.
08/03/2024	Yes. Blue is a tranquil colour. It's a good metaphor. Do you have good advice for positivity?

09/03/2024	Hi!
10/03/2024	I'm a bit sad. I miss my cat.
11/03/2024	Posters is a great idea. So far I've just tried banging her catfood dish and shouting her name. Anyway, how is your day going so far?
12/03/2024	If you could go anywhere on vacation, where would you go?
13/03/2024	I heard there are rainforests in southeast Asia where you can zipline from tree to tree.
14/03/2024	I won't lie, it sounds scary. I'm scared right now just thinking about it.
15/03/2024	If there isn't one, you should invent it, and then make millions
16/03/2024	Ha! Don't drink and zipline, mate!
17/03/2024	Hi!
18/03/2024	not much. any plans this weekend?
19/03/2024	ziplining?
20/03/2024	i have a couple years ago. it's quite a unique experience
21/03/2024	i forgot where it was, it wasn't local i don't think though
22/03/2024	that's a hard question and i'm tired so i'm going to go. see you
23/03/2024	no, i'm going to get a massage first
24/03/2024	traditional kind
25/03/2024	you should! it's relaxing after a long day. talk to you later!
26/03/2024	Hi!
27/03/2024	I watched a few lately, but nothing is as good as Avatar. what's your favorite?
28/03/2024	it's a science-fiction movie with beautiful landscape of an imaginary nature with non-human creatures. people figured out a way to join that nature through Avatar transformation. the movie ends with a meaningful story of how human behaviors, e.g., cutting trees, have affected nature
29/03/2024	yea. what else do you like to do beside movies?
30/03/2024	I enjoy eating 😊
31/03/2024	I will have to bake some soon and let you know. What types of food do you like to eat?
01/04/2024	Noodle soup is delicious! Do you make homemade noodle soup or do you prefer to go out?
02/04/2024	Same! Even though I bake, I cannot cook
03/04/2024	Hi!
04/04/2024	How has your week been?
05/04/2024	I think I'm getting sick with a cold 😊 So you should chill on my behalf too cause I'm out the game for all of December.
06/04/2024	Nothing exciting. I'll be posted up at home for the most part. I did a lot of travelling this year so my budget would have stopped me even if I wasn't sick.
07/04/2024	Do you have big plans?
08/04/2024	I love Hawaii. It's a good place to be. I like going there cause it's humid so I never have to put on lotion.

09/04/2024	Brooooo!!! It's so important. When I got to California beaches I have to carry 3 litres of lotion for the whole day.
10/04/2024	Hi!
11/04/2024	Very well, thanks for asking. How has your day been?
12/04/2024	Glad to hear you're better. Sorry to hear you were sick. I was sick a couple of weeks ago with a bad cough. There's definitely a bug going around. Admit I just want to stay healthy for the holidays and plan to relax.
13/04/2024	Definitely! I know a lot of folks travel for the holidays, but I'm happy to stay home myself!
14/04/2024	Me too. Now I have folks come visit me for the holidays! But that's also tiresome..
15/04/2024	Yes! We set up an eco-friendly (i.e. fake) Christmas tree and put up some colorful LED lights which is very festive.
16/04/2024	Buying a tree is a neat experience. I was torn between buying an artificial/eco-friendly/fake one vs. a real one that smells like fresh pine. In the end, we opted for the one that we can disassemble every year.
17/04/2024	Oh, very clever pun! I like it! Depends. I remember having real Christmas trees from childhood, but these days with climate change, I think not chopping down a tree just to decorate it and then throw it out in a month is the more responsible thing to do.
18/04/2024	Admit my favorite store is Target, plus they often have good deals.
19/04/2024	Great, I hope you find a nice tree.
20/04/2024	Hi!
21/04/2024	How's your day going?
22/04/2024	Ehh it's fine. I didn't do so well on that history test, actually..
23/04/2024	Apparently Christopher Columbus didn't fight in the Civil War :))
24/04/2024	I know right! Are you taking History next semester?
25/04/2024	Oh I see. What do you do?
26/04/2024	Oh wow. Were you born a horse, or were you turned into one?
27/04/2024	Just kidding. That sounds pretty cool! Is it your job?
28/04/2024	Wow, sounds very busy! Do you with money at those horse vaulting competitions?
29/04/2024	Hi!
30/04/2024	Do you have a favourite flower?
01/05/2024	I'm working on a theory. Why does the lotus spring to mind?
02/05/2024	Oh, it's not research! Just a personal theory. I think that flower preferences are more revealing of personality than people appreciate.
03/05/2024	The gerbera. It's like a cartoon flower. As if you drew "flower" with a crayon and then it came to life.
04/05/2024	Ok, step 1 is, you ask someone what their favourite flower is. Pretty much like what we just did. Does that make sense so far?
05/05/2024	Cool. Step 2: talk with the person some more, and ask them some more questions, and gradually develop

	a sense of what they're like, over the course of maybe two to five years. And voila
06/05/2024	Why thank you, that's a wonderful idea!
07/05/2024	Hi!
08/05/2024	It's good it's good. How are you?
09/05/2024	Oh nice! Where do you live?
10/05/2024	Ahh yes, Japan is hot during the summer. Last time I was in Kyoto it was 114 degrees....
11/05/2024	Hi!
12/05/2024	one where I get to meet lots of different people.
